We hope that all of our employees will work together for the benefit of the company and our clients. We also hope that your employment with us is pleasant and mutually beneficial.

Whether you work in our Office, Warehouse or work primarily out on the road or a combination of both, each of our employees is considered an important link in the company and everyone has an integral role to play in our success.

This welcome letter is the first document in our suite of company policies which outline a wide range of information and rules which govern your employment at Logifix Freight Solutions. These policies will be available for you to access at any time through our shared platform or you can find them at the Logifix ‘Our Culture’ portal. None of these policies can be amended or altered in any way by any oral statements, but can only be altered by written amendment upon authorisation by management.

All employees are expected to be familiar with and abide by the policies at Logifix Freight Solutions; and all employees with the authority to administer these policies are to do so fairly and consistently.

Employees who have questions about anything presented in any policy should see their manager for clarification and explanation.
